

- 
- The screenshot displays a forensic analysis application. At the top, there are tabs for 'Recent', 'Ruler', 'Group', and 'Map'. Below these, a search bar contains the text 'VS-PGPUB:USPAT:USOCR:EPO:JFO:DERWENT:BMV:DOB'. To the right of the search bar are checkboxes for 'Ruler' and 'Highlight all hit terms initially'. Below the search bar, there is a 'Default operator' field with the value 'ADJ' and a small icon. The main area of the application is a large grid filled with small, repeating patterns, likely representing a large dataset or a forensic image being analyzed. The interface has a dark, textured background.

A screenshot of a web browser window. The address bar shows a URL starting with "http://". Below the address bar, there are tabs labeled "Home", "Details", and "HTML". The main content area is mostly blank, with some faint, illegible text visible. At the bottom of the browser window, a status bar displays the word "Ready" on the left and "NIM" on the right.
